SIR,

With reference to the last para of Government Order No.R.7235-9/L.S.10-07-14 dated 8th May 1908 inviting my attention to the remark (contained in para 28 of the Survey Superintendent's report on the revision settlement of the Shikarpur Taluk) that information regarding prices could not be supplied by the Taluk offices for the years 1873-74 to 1881-82 on account of the destruction of old records and asking me to state whether the rules for the preservation and destruction of records require modification, I have the honor to state as follows:-

2. At present a statement of prices of food grains and other articles prepared from the Districts of the State is being published every half year according to Government Order No.R. 9717-26 /R.M.264-06-4 dated 3rd May 1907. In my opinion it would serve the purposes of revision settlement if the above return is printed Talukwar and published in the Gazette as the Gazette volumes will be permanently preserved and the statistics will be available for any number of years. In this view the Survey Superintendent concurs and I enclose for the information of Government copy of my letter to him and his reply on the subject. I therefore request that sanction of Government may be accorded for publishing in future the half yearly return talukwar.
